EVENT OVERVIEW

WHAT IS ETMA?

Substance abuse in many countries persists as one of the most costly and contentious propaganda amongst policy makers, enforcers and practitioners.

ETMA by Solace Asia meets the need for more efficient research agendas that will yield sterling benefits surrounding the discourse.

ETMA also serves as a platform to educate and empower industry personnel and the public with the aim to combat social prejudism and stigma.

WHY IS ETMA SIGNIFICANT?

- Feature industry experts
- Showcase best treatment practises
- Deep-dive into the addiction discourse
- Highlight treatment efficacy

WHO IS ETMA TARGETED FOR?

- Addiction industry personnel
- Mental health counselors
- Policy makers and enforcers
- Academicians
- Tertiary scholars
- General public
